lifetime!

Make Memories that will Last a Lifetime!

Mystery parties encourage people to lose their inhibitions and let their inner goof-ball shine! What a great way to get to know your friends better, encourage deeper relationships among the guests, and build life-long memories. And who doesn't need a good belly-laugh? It's time to dress the part, adopt that weird accent, and get into character! All scripts are guaranteed to be good, clean fun, suitable for teens or adults. We can help you plan your event with our free tips and resources available at www.thedramaticpen.com!

Who Invited The Stiff To Dinner?

The guests have arrived for an elaborate dinner party at the bequest of the wealthy Richard Orwell Mortice. But why would he invite so many people who despise him, along with a Scotland Yard Inspector? Did their host have an ulterior motive up his sleeve? When the maid discovers good ol' Rick O. Mortice dead, the Inspector and his overly eager sidekick are out to discover the culprit! Everyone has a motive and the accusations fly—but not before they go ahead and sit down to a luxurious meal. After all, why let one stiff ruin dinner?

Murder At Surly Gates

Tensions are high when the cantankerous residents of Surly Gates Nursing Home have to put up with money-hungry relatives, a spoiled brat, and her incompetent mother during visitors' hours. When the nursing home manager turns up dead, everyone is a suspect! Who had

something to gain? What happened to Badger's heart pills? Why does Lily, a former beauty queen, still try to swing her hips—even behind her walker? Buster, a resident and former security guard, and his son, Doyle, a bumbling cop, want to solve this case!

Accuracy

A successful, but very pompous, author is murdered on the night of his book debut celebration. A note—intended to stop a murder—actually spurns the murderer into action due to some rearranged punctuation in the note. Who wrote the note? Who tampered with the note? Who carried out the false instructions? Nearly everyone has a motive! An intelligent Spanish lawyer with a very thick accent discovers the truth.
